

## **2005 - 2006 BRIDGE AWARD PROGRAM**

The Eastern New York Chapter of the Association for Bridge Construction and Design announces its annual Bridge Award Program. The board of directors has established this award as a way to recognize and honor outstanding bridge projects. The project selected will have awards presented to its owner, designer and contractor. The awards will be presented at our annual meeting in June.

We are soliciting nominations from the membership for the following award.

### **New or rehabilitated structure opened in calendar year 2005.**

\* It is highly recommended that all submissions should be submitted electronically in a pdf format. If this is not possible, mailed submissions will be accepted.

Please include the following information with your nomination:

1. A written description of the project. This description should include the reason for projects nomination and any unique qualifications of the project. Also included in this description should be the owners name, the designer, the general contractor, the EIC, key suppliers (steel, precast, etc) and key subcontractors (if applicable). The written description should be no longer than one page.
2. Two or more representing photographs.

Nominations should be received no later than May 19th, 2006. If you have any questions, please call John Walsh at 518-792-5864. Please send your nominations to the address listed below.
