

*Eastern New York Chapter*  
of the  
**ASSOCIATION FOR  
BRIDGE CONSTRUCTION AND DESIGN, Inc.**

**SUMMER PLANT TOUR**

Date/Time: **Tuesday, August 26, 2008**  
8:15 am Sign-in  
8:30 am Plant Tour

Location: **Dimension Fabricators, Inc.**  
**1910 Maxon Road Extension**  
**Schenectady, NY 12308**

Topic/Speaker: **Plant Tour of Dimension Fabricators Rebar Plant**

**Dimension Fabricators is a specialty fabricator of concrete reinforcing steel. They have a reputation as THE fabricator of the difficult and challenging projects. They have an experienced staff of operators, machinists, engineers, and technicians using some of the most sophisticated manufacturing machinery in the industry. On the tour we will see rebar bending, epoxy coating, cage construction, and Fast-Mat (rolled horizontal reinforcing mats) equipment being used for several on-going projects.**

Dress Code: **Informal. Safety glasses with side shields and ear plugs are mandatory. Hard Hats and steel toed shoes are optional. No open toed shoes.**

Parking: **Park at the main shop. Space is tight so please car pool if possible.**

Refreshments: **Coffee and donuts will be served**

Cost: No cost, but **preregistration is required to attend this event.** No PDH credit.

Reservations: **Space is limited to the first 50 registrants.** Please make your reservations by mail, e-mail, fax, or telephone on or before **Friday, August 22, 2008** to **Eastern NY ABCD** at the address below:
