

Eastern New York Chapter
of the
**ASSOCIATION FOR
BRIDGE CONSTRUCTION AND DESIGN, Inc.**

NOVEMBER DINNER MEETING

Date/Time: **Thursday, November 4, 2010**
6:00 pm Registration (Cash Bar)
6:45 pm Dinner
7:45 pm Program

Location: **Italian American Community Center**
257 Washington Avenue Extension, Albany, NY

Topic/Speaker: **Hybrid – Composite Bridge Beams**
Michael Zicko, PE, HC Bridge Company, LLC

Mr Zicko is the co-founder of the HC Bridge Company, LLC and has more than 25 years experience in the design, fabrication and installation of precast concrete and prefabricated bridge systems as both a fabricator and a contractor. The presentation will focus on the "Hybrid-Composite Beam" (HCB) which is a new type of structural member developed for use in bridges and other structures. The HCB is essentially a tied concrete arch inside a fiber reinforced polymer (FRP) shell. The HCB combines the strength and stiffness of conventional concrete and steel with the lightweight and corrosion advantages of advanced composite materials.

This program will provide 1.0 PDH for those requesting it.

Dinner Choices: **New York Sirloin**
Chicken Parmigiana

PLEASE INDICATE YOUR CHOICE OF ENTRÉE WITH YOUR RESERVATION

Cost (per person)	<u>Regular</u>	<u>w/ 1.0 PDH Credit</u>
